

Official Proceedings of the Stutsman County Commission – July 5, 2017

At 8:00 a.m., Chairman Klose called the regular meeting of the Stutsman County Commission to order. David Schwartz, Denny Ova, Craig Neys, and Mark T. Klose, answered the roll call. Absent was Dale Marks.

Neys made a motion, seconded by Ova to approve the Minutes of the June 2017 meetings. Motion carried.

Mickey Nenow, Road Superintendent, provided the commission with his monthly report, where they are going to be doing patch work on Highway 10 and culvert work.

Klose signed the contract between Interstate Engineering and the County that had previously been approved by the commission.

Nenow stated the bid advertised for culverts by Spiritwood Lake came from Sub Surface for \$167,240.00 and requested the commission award the bid to Sub Surface. Schwartz made a motion, seconded by Neys to award the bid for the culvert work by Spiritwood Lake to Sub Surface. Roll call vote: Ova, Schwartz, Neys, and Klose voted aye. Motion carried.

Nenow provided the commission with an updated Stutsman County Road Policy. A few minor changes have been made since the policy was last reviewed.

Jerry Bergquist, Emergency Manager/ 9-1-1 Coordinator, introduced Kimberly Franklin who has been hired to replace Sarah Van De Velde as the Assistant Emergency Manager.

Bergquist provided the board with an update on House Bill 1178, stating that effective July 1, 2017, 9-1-1 fees on phone bills increased fifty cents (\$0.50). The fees went from \$1.00 to \$1.50, with the extra fifty cents going towards a state wide interoperable radio network fund. Currently the County is using Motorola radios, but those will no longer be usable by December 31, 2018. Bergquist is hoping to get some guidance on what kind of radios to purchase for the upgrade.

Bergquist requested permission for Dorinda Andres and Kim Franklin to travel out of State in August for a conference in Denver that would be very beneficial to attend. There is money in the budget to cover the expenses, and the city has direct flights to Denver, so the cost would be very reasonable, which are being estimated at approximately \$3,200 for the entire trip. A motion was made by Ova, second by Schwartz to allow Andres and Franklin to attend a conference in Denver in August. Motion carried.

Bergquist informed the board on June 26, 2017 the Governor declared a statewide Fire and Drought Emergency and on June 23, 2017 the Secretary of Agriculture declared Emergency Grazing.

Bergquist requested some maintenance projects be done to the radio tower. Approximately seven guy wires were replaced earlier; five more should be replaced. The anchors that support the guy wires should be checked as well. The total cost of the radio tower maintenance projects is estimated to be \$7,200.00. Schwartz made a motion, seconded by Neys to do maintenance to the radio tower as requested. Motion carried.

Fritz Fremgen, State's Attorney presented his monthly report.

Casey Bradley, Auditor/COO, presented the board with a Business Associate Agreement (BAA) for Safe Bed Services, which is basically the same as a HIPPA Agreement. A motion was made by Schwartz, seconded by Ova to approve the Business Associate Agreement for Safe Bed Services. Motion carried.

Bradley read a letter he drafted to the commissioners regarding the initial budget levy limits for 2018. Bradley recommended the board place a levy limit cap on all levies at a 0% increase and all departments to have budget requests that are at or below their 2017 requests. Bradley also recommended a budget deadline of August 25th for any board that is not elected and lastly, Bradley recommended the commission consider a 0% COLA and a 2% step for eligible employees while maintaining the current percentage split on health insurance premiums.

A motion was made by Ova, seconded by Schwartz to place a levy limit cap on all levies at a 0% increase and that all departments have budget requests that are at or below their 2017 requests. Roll call vote: Schwartz, Neys, Klose, Ova voted aye. Motion carried.

A motion was made by Schwartz, seconded by Neys to give a budget deadline of August 25, 2017 for any board that is not elected. Motion carried.

It was the consensus of the board to consider a 0% COLA and a 2% step for eligible employees while maintaining the current percentage split on health insurance premiums.
