

Official Proceedings of the Stutsman County Commission – August 3, 2021

At 3:37 p.m., Chairman Klose called the regular meeting of the Stutsman County commission to order. Dennis Ova, Ramone Gumke, Joan Morris, Steven Cichos, and Mark Klose answered the roll call.

Jessica Alonge, Interim Auditor/COO, discussed an excess levy for Peterson Township. They have a past due balance with the road department that has been delinquent for over a year. The balance is \$14,657.48. She is requesting an excess levy up to that amount not to exceed 36 mills for their total levy. Gumke made a motion to approve, seconded by Cichos. Motion carried.

Alonge also discussed an excess levy for Weld township. They have a balance of 12,033.64 that is over a year old. Cichos made a motion to approve, seconded by Ova. Motion carried.

Alonge discussed the October 5, 2021 Commission meeting. The NDACO conference is that week and many department heads and board members will be gone. They need to do their final budget hearing that week as well. The the regular meeting was scheduled for October 7<sup>th</sup> at 3:30 and the budget hearing at 6:00 p.m.

At 3:42 p.m., the Commission meeting recessed for the County Park Board meeting

Official Proceedings of the Stutsman County Park Board – August 3, 2021

At 3:42 the regular meeting of the Stutsman County Park Board was called to order. Dennis Ova, Ramone Gumke, Joan Morris, Steven Cichos, Mark Klose, and Robert Martin were present. Jason Houge was absent.

Board Member Joan Morris discussed low water levels at the Jamestown Reservoir. Martin would like to mark the concrete intake structure that is currently only 5 feet below the surface of the water to prevent any accidents. Sheriff Kaiser suggested using extra buoys from the Park Department to mark the structure.

Jessica Alonge, Interim Auditor/COO, discussed the proposed Bureau of Reclamation/Stutsman County Park Board Special Use Permit. The board had concerns about the hay land and some land that was included in the area to be maintained by the County. Jessica sent the concerns to the Bureau and they will make changes and send it back for approval.

Ova made a motion to approve the monthly bills, seconded by Gumke. Ova, Gumke, Morris, Cichos, Klose, and Martin voted aye. Motion carried.

Martin addressed questions from the ND Game and Fish Department regarding hunting on reservoir lands. Hunting was previously allowed by the Bureau north of the Boat Club. The board would like to leave it as is for now. Martin also discussed an area at Spiritwood Lake west of Sandy Beach. That is under the jurisdiction of the city of Spiritwood Lake, and they have no ordinance against it.

At 3:59 p.m., Morris made a motion to adjourn the Park Board meeting, seconded by Martin. Motion carried.

At 3:59 p.m., the County Commission meeting was called back to order.

Jessica Alonge, Interim Auditor/COO, discussed the 2022 preliminary budget. The County Road 67 project was discussed. There is a chance that federal infrastructure funds will come through. It was decided to push the County Road 67 project to next year. Klose would like to use the fund balance in the Highway Aid fund to do the Stink Lake project in 2021. This would decrease the mill levy by 2.39 mills. The remaining CARES money equals 3.23 mills. If the remaining CARES money is used, it would bring the mill increase to 4.01. This would be an \$18.05 increase on a \$100,000 house.

The salary increases were discussed. Right now the proposed increase is a 3% COLA and 2% step. Sheriff Kaiser pointed out that the city is increasing salaries by 5.5%. He is worried his department will start losing people if salaries don't keep up.

Gumke made a motion to approve the monthly bills, seconded by Ova. Gumke, Morris, Cichos, Klose, and Ova voted aye. Motion carried.
