Mike Zimmerman, County Highway Superintendent, stated there are people encroaching on highway right of way. In 1998 and again in 2003 a certified letter was sent to property owners asking them to refrain from farming the right of way as it destroys the slopes and blocks the culverts. Mike requested permission to send another certified letter asking people to refrain from farming the right of ways and to return them to the way they were, if they do not do the necessary repairs the county will do so and the bill will be assessed to the property owner's taxes. Kaiser made a motion to send a letter stating such, seconded by Marks. Motion carried. Mike requested permission to attend The Local Technical Assistance Program Road Conference in Rapid City South Dakota, October 16 - 18. A motion was made by Ova to allow Zimmerman, Commissioner Kaiser and Commissioner Marks to attend, seconded by Neys. Motion carried.

Dean Schmuhl, Lenton Township Chairman, stated in the late 1960's to the mid 1970's bridges were replaced with culverts. The township has some concerns that some of the culverts are not big enough to handle the run off after a hard, fast rain. He also stated that the township handbook is not real clear as to who is responsible for the culverts. He was referred to the Stutsman County Water Board.

Jim Fettig, Maintenance Engineer, gave an update on the Memorial Building remodeling project. Asbestos removal has been completed. Fettig requested permission for change orders of less than \$1,000 to be approved by himself and Noel Johnson, COO. A motion to allow change orders of less than \$1,000 per month be approved by Jim Fettig and Noel Johnson, seconded by Neys. Motion carried. There is a sewer problem in the alley and would cost approximately \$15,000 to dig and repair. Motion carried.
