

Official Proceedings of the Stutsman County Commission – October 1, 2019

At 4:00 p.m., Chairman Klose called the regular meeting of the commission to order. Dennis Ova, Ramone Gumke, David Schwartz, Steven Cichos, and Mark Klose answered the roll call.

Ova made a motion, seconded by Schwartz, to approve the September 2019 meeting minutes. Motion carried.

Representatives from Manns and Ypsilanti Townships were present to discuss road concerns. Manns Township is concerned about the upkeep of county roads over the past several years. People are using township roads instead of county roads causing increased maintenance for the township. Ypsilanti Township shared the same concerns and asked the commission to consider not doing road work for townships. Commissioner Schwartz said that it has been a tough year with a lot of water and the Road Department has been struggling to keep up throughout the County. Jerry Bergquist discussed past and potential emergency declarations that could help with funding to deal with heavy rains this year.

Fritz Fremgen, State's Attorney, presented his monthly report.

Mickey Nenow, Road Superintendent, presented his monthly report. They will continue to gravel and are working on rocking and tree removal.

Nenow discussed two possible grade raises because of high water. One is between Medina and Cleveland and is under water, and the other is west of Streeter on County Road 37 and is close to being under water. Both are about a half mile long. Mickey will get cost estimates and report back to the board.

Jerry Bergquist, Emergency Manager/9-1-1 Coordinator, discussed the 9-1-1 equipment update. At the last meeting, it was approved to purchase equipment from Motorola. Since then, ITD has come back with a price to join the state network. We have not signed a contract with Motorola. It looks like it will be less expensive to go with ITD but there are some additional questions that need to be addressed. The state's system needs updating and we don't want to buy into an already outdated system.

Bergquist also discussed a possible road damage assessment to see if Stutsman County qualifies for a Presidential Disaster Declaration. FEMA is only looking at the rainstorm on September 20-21 for the disaster declaration. We must have \$79,758 in damage to qualify for the disaster declaration, not including any Federal Aid roads. The state needs the information by Thursday, October 3rd. Schwartz suggested waiting until the Spring to see if there is another declaration at that time.

Bergquist discussed water releases at Jamestown and Pipestem Dam. Pipestem has come up to 15 feet and the Jamestown Reservoir started to come up yesterday. The Army Corps of Engineers are saying they will be releasing 600 cfs out of Pipestem and 400 cfs from the Jamestown Reservoir. There could be a flood risk if they increase the releases in order to lower the water levels in the reservoirs before freeze.

Bergquist discussed appointing a replacement alternate member to the SE Coordinated Regional Interoperable Board. Brian Paulson from the Jamestown Rural Fire Department was appointed as the alternate member last year and can no longer serve. The LEPC recommended replacing him with Chief

Scott Edinger from Jamestown Police Department. Cichos made a motion, seconded by Ova to appoint Edinger. Motion carried.

Corey Genter, Staff Appraiser, presented an abatement request for parcel #25-4710060, owned by Craig Middleton. Homer township approved the change. Genter recommends lowering the true and full value from \$192,500 to \$124,200 after conducting an interior inspection. Schwartz made a motion to approve, seconded by Cichos. Ova, Gumke, Schwartz, Cichos, and Klose voted aye. Motion carried.

Nicole Meland, Auditor/COO, discussed tax foreclosure properties requiring appraisal. The minimum sale price is set at the past due taxes and specials, but the commissioners must appraise the properties to potentially set a different minimum bid. Properties were split among the commissioners to appraise.

Meland discussed setting the tax foreclosure hearing date for October 22, 2019. Schwartz made a motion, seconded by Gumke, to approve. Motion carried.

Meland requested to notify adjacent property owners of county land available for sale. Many are not aware that they are for sale by the County. Schwartz made a motion to notify landowners, seconded by Gumke. Motion carried.

Meland discussed the Human Service Zone Agreement and letter that needs to be sent to the state. Steve Cichos has been nominated to serve on the zonal board. Em Burkett has contacted and received interest from Tracy Johnk and Gayle Nelson to serve as members. There will be training for board members and it is a three-year appointment. Schwartz made a motion to appoint Tracy and Gayle, seconded by Cichos. Gumke, Schwartz, Cichos, Klose, and Ova voted aye. Motion carried.

Meland discussed a class action notice regarding the opioid litigation. Stutsman County is automatically included in the class action lawsuit unless we opt out. There is no action required if we remain in the lawsuit. Commissioners agreed to remain part of the lawsuit.

Meland discussed appointing a delegate for the North Dakota State Fair. Ova nominated Gumke, seconded by Schwartz. Motion carried.

Meland discussed department head evaluations. They need to be completed before November 1st.

Meland reminded the board that the next Commission and Social Services Governing Board meeting was rescheduled to October 22nd as several members will be at a conference on October 15th.

At 5:11 p.m., the Commission recessed for the County Park Board meeting.

At 5:12 p.m., the County Park Board was called to order. David Schwartz, Steven Cichos, Mark Klose, Dennis Ova, Ramone Gumke, Jason Houge, and Joan Morris answered the roll call.

Gumke made a motion, seconded by Schwartz, to approve the minutes. Motion carried.

Houge made a motion, seconded by Gumke, to approve the monthly bills. Schwartz, Cichos, Klose, Houge, Morris, Ova, and Gumke voted aye. Motion carried.

Karl Bergh, Park Superintendent, presented his monthly report. They are going to remove some docks and piers due to rising water levels. They have been removing trees and cleaning out the vault toilets.

Nicole Meland, Auditor/COO discussed dock permit fees for the three remaining private docks on the reservoir. The fee is currently set at \$150. Cichos made a motion to raise the fee to \$250, seconded by Houge. Cichos, Klose, Houge, Morris, Ova, Gumke, and Schwartz voted aye. Motion carried.

Meland discussed concerns raised by Greg Gackle regarding Spiritwood Campground. The board currently has no concerns regarding the operation of the campground.

Meland discussed department head evaluations for the Park Superintendent.

A request for reimbursement from the Pelican Point Concessionaires was discussed. A receipt from Menards for \$28.88 was presented. Gumke made a motion to approve the reimbursement, seconded by Cichos. Klose, Houge, Morris, Ova, Gumke, Schwartz, and Cichos voted aye. Motion carried.

The concession contract with the DAK was discussed. A preliminary verbal contract agreement was reached. The contract would go from January 1st to December 31st 2020. The County would pay all outside vendors. The DAK would pay a \$30,000 fee by February 1st 2020. The Park Board will take care of pumping all sewers. Morris made a motion that the Park Committee move forward to put together a formal agreement with the DAK to bring back to the Park Board, seconded by Cichos. Roll call vote: Houge-No, Morris-Yes, Ova-Yes, Gumke-No, Schwartz-No, Cichos- Yes, Klose-no. Motion failed.

Morris discussed a project application from Pelican Point for electrical upgrades to some of the campsites. With no concessionaire contract, the application could be submitted on behalf of the Park Board. The project could also be submitted as part of the annual maintenance plan from the park superintendent. A motion was made by Schwartz, seconded by Morris to submit the application on behalf of the Park Board. Motion carried.

Surveyor and appraiser engagements for transfer of reservoir lands were discussed. Cichos made a motion to engage Joe Ibach as an appraiser and Interstate Engineering for surveying subject to review of the conveyance agreement, seconded by Ova. Discussion was held regarding conflicts of interest for the three cabin owners on the board with Commissioner Cichos indicating no conflict existed. Chairman Klose asked State's Attorney Fremgen for a legal opinion regarding whether a conflict of interest existed. Morris, Ova, Gumke, Schwartz, Cichos, and Houge voted aye. Klose voted no. Motion carried.

Project applications from Cabin #12W (Walen) and Cabin #9W (Councilman) were presented. They have both been approved by Central Valley Health. Schwartz made a motion, seconded by Ova, to approve. Motion carried.

A cabin lease transfer for Cabin #48W was presented. Cichos made a motion to transfer the lease to Travis and Andrea Edinger, seconded by Gumke. Motion carried.

Schwartz made a motion to advertise for bids for the Pelican Point Concession Contract, seconded by Gumke. Roll call vote: Ova-Yes, Gumke-Yes, Schwartz-Yes, Cichos-No, Klose-Yes, Morris-No. Motion carried.

At 5:57 p.m., a motion was made by Schwartz to adjourn the meeting, seconded by Morris. Motion carried.

At 5:58 p.m., the Commission Meeting was called to order.

Ova made a motion, seconded by Gumke, to approve the monthly bills. Gumke, Schwartz, Cichos, Klose, and Ova voted aye. Motion carried.
